

IISER(T)/R&D/SOP/PROJ-53/2022-23

20.08.2024

Dear Mr. Anantha Krishnan Sunilkumar,

Greetings from IISER TVM!

You have been offered the position of Project Associate - 1 in the MoE-STARS funded project titled "Quantum information processing from distinguishability of physical processes" awarded to Dr. Debashis Saha, Assistant Professor, School of Physics, IISER TVM.

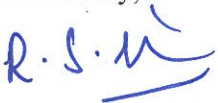

The terms and conditions of your appointment are as follows:

1. You will be paid an amount of Rs.31,000/- + HRA (per month)
2. The appointment will be from the date of joining to one year. Any extensions are subject to satisfactory review of your performance, availability of funding and with the consent of the Project Investigator.
3. This position is coterminous with the said project.
4. If you accept this offer under the above terms & conditions, please send your acceptance via email to your Project Investigator cc'ing all the concerned departments / officials marked in this email within two days. Please finalize your joining in coordination with the Project Investigator prior to your arrival at IISER TVM.
5. On your arrival, please report to the R&D office with a copy of this letter for document verification and to sign your joining report only between 9 AM and 5 PM on official working days. You should bring two passport size photographs, the documents relating to proof of age, qualification certificates, experience & relieving order from the present employer in original for verification and photocopies of all originals. This offer is conditional until document verification is completed at the time of joining.

Limited campus accommodation may be available. If you wish to stay in the campus hostel, please contact hostel affairs@iisertvm.ac.in with a cc to your Project Investigator to enquire about availability, rules and regulations. To avoid hassles, ensure you complete all the requirements for accommodation in hostels before you arrive at the campus.

Good luck and hope your association with the project is productive and satisfying.

Yours sincerely,

Dr. R. S. Swathi
